

# TUFF-EDGE<sup>INC.</sup>

## SHAPES Tables

- Tables consist of four shapes in six sizes that can be configured to various “SHAPES” to address the needs of meeting, conference, training, tele-conferencing and individual work spaces.
- Tables are mobile and can be easily and quickly re-configured to a new “SHAPE” for the impromptu meeting or to supply individual work spaces, then re-assembled to a conference table.
- The tables stay the same, only the “SHAPE” has changed.
